We are delighted that you are considering hosting your wedding breakfast with us and the following information may help when planning your day.

After your atmospheric ceremony around the Great Bath, we understand that you will want to take full advantage of the beautiful setting for photographs. We would just need to ensure that all guests are seated for the wedding breakfast by 9.15 am, liaising directly with your photographer, where applicable, to be sure this fits in with their schedule.

We would arrange any speeches or toasts with you immediately on arrival in the Pump Room Restaurant. This ensures that they take place in private whilst your Champagne breakfast is cooked to order ready for service at 9.30 am.

We offer 2 choices of menu within the package and you are welcome to choose your preferred menu for all your guests or a combination. If the latter, we would guide you through a pre-order of all dishes and a corresponding table plan.

We would advise on the final table layout once we are aware of your exact numbers which we request 5 days prior. We will gladly lay the tables with any decorations and place cards you may like to provide and all tables will be fully dressed by 9.00 am. We would just request that any table dressings are easy to clear away due to the swift turn around of tables and that items you would like to keep are collected by someone in your party as you leave.

We are happy to reserve your tables up until 11.00 am after which they would be needed for our daytime clientele.

To confirm your wedding breakfast with us, please contact us on 01225 444477 or email us at events.bath@searcys.co.uk.
